The Food Aid Organization of the United Nations

Internship – World Food Programme Nordic Office

August 7th 2017- February 9th 2018

Are you passionate about humanitarian and development work? Do you want to work for a world with Zero Hunger? And do you want to gain experience within communication, outreach and advocacy? An internship at the World Food Programme's Nordic Office in Copenhagen will give you the opportunity to build momentum and public and political will for the achievement of SDG2 in the world's leading humanitarian organisation fighting hunger worldwide.

World Food Programme (WFP) is the world's leading humanitarian organization fighting hunger worldwide. Every year, we reach around 80 million people with food assistance in 80 countries. WFP is part of the United Nations system and voluntarily funded.

WFP Nordic Office is located in Copenhagen in the UN City, which hosts 11 UN organisations. The Office raises awareness of the key role of WFP in reaching Zero Hunger and the results achieved together with its Nordic partners – the Nordic governments combined were the fifth largest donor to WFP in 2016 and top donors of flexible funds. The Nordic WFP Office aims to strengthen relationships to existing partners, further expand stakeholder relations and build informed constituencies. The overarching goals are:

- Create the enabling environment, the momentum and the political will for the achievement of Agenda 2030, with a special focus on prioritizing SDG2.
- Support WFP's role as a leading solution provider and partner of excellence for the achievement of Agenda 2030, particularly for its work to reach the last first.
